Student Full Name: __________________________________________________________________________________________________
(“Student”)

Parent/Guardian Full Name: ________________________________________________________________________________________________
(“Parent” or “Guardian”)

Student enrollment in Program is not granted until Student and a Parent/Guardian each sign this Agreement and each of the following two Agreements listed which are incorporated into this Agreement:

1. The Duke University Study Away Waiver and Release (attached hereto as Annex 1)
2. The Duke Authorization to Consent to Medical Care (attached hereto as Annex 2)

This Agreement contains links to documents that can be found online. Duke will provide a hard copy of any documents for which links are provided herein, upon request.

This Agreement (hereafter “Agreement”), is by and between Duke University, a North Carolina nonprofit corporation based in Durham, North Carolina (hereafter “Duke” or “GEO”), Student, and Parent/Guardian identified above. This Agreement shall be effective as of April 15, 2016.

Each of Duke, Student and Parent/Guardian agree as follows:

A. Program Description and Student Eligibility to Participate

1. Program Description: Program is a Duke Administered Program. A description of the Program as presently structured can be found on the Duke University Global Education Office (GEO), See https://globaled.duke.edu/Programs. From time to time, Duke reserves the right to add, modify, or remove elements of the Program as consistent with the program’s overall objectives.

2. Academic Admission and Continuation Requirements: General academic requirements for Student to enroll and remain enrolled in Program can be found in the Duke University Undergraduate Bulletin. See http://registrar.duke.edu/university-bulletins/undergraduate-instruction. In addition, the Program may have its own academic requirements for enrollment and continued participation which can be found on the Program’s website. A Student who is on academic or disciplinary probation, or who has a pending disciplinary probation, does not qualify for enrollment. A Student who is put on academic or disciplinary probation during the course of a Program is not permitted to continue in the Program. In this event, Student agrees to leave the Program and Student will receive no credit for the Program.
3. **Duke Community Standard – Compliance Required:** Without regard to this Agreement, full time Duke students are and remain subject to the behavioral requirements set forth in the Duke Community Standard (hereafter “Standard”) See [http://studentaffairs.duke.edu/conduct/about-us/duke-community-standard](http://studentaffairs.duke.edu/conduct/about-us/duke-community-standard) and [http://registrar.duke.edu/university-bulletins/duke-community-standard-practice-guide-undergraduates](http://registrar.duke.edu/university-bulletins/duke-community-standard-practice-guide-undergraduates). While a participant in Program, non-Duke students are also subject to the Standard. If a Student violates the Standard, Duke in its sole discretion may terminate Student's participation in Program. In this event, Student agrees to leave the program and the Student will receive no credit for the Program.

4. **Compliance with Laws Required:** While on Program, Student must comply with all applicable laws and regulations. If Program takes place outside the United States, Student is required to comply with all laws and regulations of the host country, including those regarding required travel documents such as obligations to obtain visas and study permits. It is the sole responsibility of the Student to obtain necessary permissions to enter or remain in a country.

5. **Lectures/Field Trips – Participation Required Unless Exempted:** Program may include required lectures and field trips which are germane to the educational experience. Student must participate in such activities unless exempted by the Program director.

6. **Program Evaluation:** Duke Students must complete an evaluation of Program. Failure to submit an evaluation by the deadline will result in a registration block for the semester following return to Duke.

7. **Transcripts:** Non-Duke students studying on Duke-administered programs will need to contact the Duke University Registrar in writing to arrange for a Duke transcript be sent to their home institution at the completion of the program. All non-Duke students studying on Duke-In programs pay a $40 one-time, lifetime transcript fee, so no further payment is needed. Transcript request forms and additional information are available at [registrar.duke.edu/student-records/transcripts-verifications](http://registrar.duke.edu/student-records/transcripts-verifications).

**B. Agreements That Must Be Signed Before Enrollment**

As a condition of Student participating in Program, Student and a Parent/Guardian must sign the Waiver and Release included hereto as Annex 1 and The Duke Authorization to Consent to Medical Care included hereto as Annex 2.

**C. Pre-Departure Requirements**

As a condition of Student participating in Program, Student and a Parent/Guardian must (1) comply with pre-departure requirements applicable to all GEO programs, and (2) comply with pre-departure requirements specific to Program. Many of the pre-departure requirements are set forth on the GEO online application system. In addition, GEO may communicate pre-departure requirements to the Student and Parent/Guardian through email or other form of communication.

**D. Program Fees and Expenses**

1. **Tuition, Program Fees, and Housing Fees:** Student is obligated to pay Tuition, Program Fee, and Housing Fees (if any) as listed in the Program description and that these charges will be put on a Duke University Bursar account in the Student’s name.
2. **Other Costs:** Students are obligated to pay for any and all goods or services that are identified as their responsibility in the Program description. For example, host institutions may (1) have fees for lab equipment or audiovisual materials which Students are required to purchase to take a course, (2) assess charges based on damages to property or late fees for late return of library materials, or (3) offer options to use the institutional athletic center for a fee. For Duke Administered Programs, Duke will endeavor to identify any such charges, fees or expenses in the Program description, but cannot guarantee it will identify all that exist.

4. **Program Changes/Cancellation:** GEO reserves the right to make changes to Program, or cancel it, as it determines to be reasonably necessary based on changed conditions, the interest of the group or emergency situations. Refund policies in the event GEO cancels a Program, can be found online on the GEO website at [http://globaled.duke.edu/getting_started/study_abroad_policies](http://globaled.duke.edu/getting_started/study_abroad_policies).

5. **GEO Withdrawal and Refund Policies and Forms:** To withdraw from or early terminate participation in Program, Student must sign and submit a GEO Withdrawal Form. This form can be found online at [http://globaled.duke.edu/for_students/Forms_Publications](http://globaled.duke.edu/for_students/Forms_Publications). Refund and withdrawal policies in the event a Student properly terminates participation in a Duke Administered Program, can be found online at [http://globaled.duke.edu/getting_started/study_abroad_policies](http://globaled.duke.edu/getting_started/study_abroad_policies).

**E. Health, Safety, Medical Care, Health Insurance and Evacuation Insurance**

1. **Access to Health Care:** The Program does not employ health care professionals and Duke makes no representation or warranty with respect to accessibility of health services and facilities. As such, Student may not have access to necessary medical or psychological care during the Program, including without limitation, psychological treatment.

2. **Anticipated Medical Needs:** Student must fully inform Duke about any anticipated needs Student will have for medical or psychological care during the Program, and must make provision before departure on Program for the availability of all medical or psychological treatments to which the Student is presently subject, such as prescription drugs, special diets or psychological care.

   Student and Parent/Guardian recognize that adjusting to life in a new culture, which often involves changes in diet and/or climate and being away from current support systems can be a stressful and emotionally challenging experience and that underlying health related concerns, including those which may be under control at home, may be exacerbated by these stresses. If Student has a history of any medical or psychological problems, Duke strongly advises and encourages that Student to consult with a medical professional before departure to discuss the potential stress and difficulty of the Program in light of the history. A medical examination may be required in certain cases or for certain programs, such as for those programs which are physically arduous or when it is a requirement of the host institution.
3. **Medical Insurance:** Duke requires Student to have appropriate U.S. based health insurance coverage with coverage in foreign countries, if studying abroad, for the duration of the Program and that Student will be responsible for all medical expenses incurred during the Program. In addition, Student/Parent/Guardian understands that medical expenses customarily will have to be paid in advance by the Student and reimbursed later by the insurance carrier.

**PARENT/GUARDIAN TO FILL IN:**

Name of Student: ____________________________________________________________________________________________

U.S. Based Insurance Provider: ______________________________________________________________________________

Insurance Policy or Group/Member ID: ________________________________________________________________

Date of expiration (MM/DD/YYYY) ___________________________________________ (list N/A if not applicable)

If the above information changes, Parent/Guardian must promptly inform GEO by email or other writing.

Duke Students studying abroad can elect to purchase the Duke Student Medical Insurance Plan (SMIP) administered by Blue Cross/Blue Shield of North Carolina. See [http://www.studentaffairs.duke.edu/studenthealth/health-insurance](http://www.studentaffairs.duke.edu/studenthealth/health-insurance).

4. **Health Emergencies:** In the event of a health emergency where Student is unable to provide consent to treatment, Duke will first seek to obtain consent from Parent/Guardian. In the event Duke cannot obtain timely consent from a Parent/Guardian or determines that the Student’s immediate health needs do not permit time to obtain consent from Parent/Guardian, Duke may determine that it is appropriate to obtain medical care for Student. Student/Parent/Guardian hereby authorizes Duke to do so and further demonstrate authorization by signing the Authorization to Consent to Medical Care included hereto as Annex 2.

5. **Emergency Support Services and Evacuation:** While outside the United States, Student is covered, at Duke’s expense, by an International SOS (ISOS) program which covers the cost of emergency medical and security evacuation, along with related support services in all countries except for the Student’s “home country” defined by the country for which a student presently holds a passport. If Student has two passports, Student must elect one of the two as his or her “home country” See [http://finance.duke.edu/insurance/travel/sos.php](http://finance.duke.edu/insurance/travel/sos.php). ISOS is NOT an insurance policy. While on domestic study away programs, Duke Students who elect to participate in SMIP insurance plan are enrolled as part of the plan in an insurance policy issued by Blue Cross and Blue Shield, which covers emergency support services and evacuation.

6. **Duke Travel Registry:** If traveling internationally, Student must register with the Duke University Travel Registry. See [https://travel.duke.edu](https://travel.duke.edu).

3. Entire Agreement. This Agreement supersedes any and all agreements, either oral or written, between the Parties and contains all the covenants and agreements between the Parties with respect to the subject matter of this Agreement. Each Party acknowledges and affirms that no representations, inducements, promises or agreements, either oral or written have been made by any Party or anyone acting on behalf of any Party with respect to the subject matter of this Agreement; and that any agreement, promise or representation with respect to the subject matter of this Agreement not contained in this Agreement shall not be valid or binding.

Program: _____________________________________________________________________________________________________

A description of the Program can be found on the Duke University Global Education Website: https://globaled.duke.edu/Programs. The person signing this agreement is referred to herein as “You” and “Your.”

1. ASSUMPTION OF RISKS:

You acknowledge, understand and agree to the following:

A. Participation in the Program is entirely voluntary, that any travel involves some element of risk, and Duke University makes no representation about the safety or security of the location of the Program or the modes of travel in connection with the Program.

B. Duke University cannot and does not provide any assurance that the Program will occur as described.

C. Safety and security risks are inherent in traveling to and living in unfamiliar settings.

D. Political, environmental and cultural situations in foreign countries differ from those in the United States and the Duke University environment, and that these situations can be unpredictable and may become volatile and dangerous, often within a short period of time.

E. There are health risks, as well as risks associated with aircraft, boats/vessels, motor vehicles, alternative but usual and customary modes of transportation, and potentially poor driving conditions.

F. Participation in the Program in a foreign country subjects Student to the laws of that country, which may be significantly different from the laws of the United States.

G. Access to and/or the quality of medical care and treatment protocols may differ significantly from what the Student is accustomed.
H. There may be risk factors of which Student and Parent(s) are unaware or which have not been brought to your attention. These risks could result in property damage and/or bodily injury to Student, up to and including imprisonment, kidnapping and even death.

I. Signatory has weighed the dangers inherent in international travel and volunteer work, the risks presented to Student's health and well-being, and the Student's desire for personal growth and experience by traveling and volunteering internationally.

J. Signatory agrees to accept and assume, knowingly and voluntarily, all risks associated with the Program whether present or future, known or unknown, arising from or as a result of Student's voluntary participation in the Program.

2. RELEASE AND WAIVER OF LIABILITY

In return for Duke University providing Student the opportunity to participate in Program and having read and understood this Waiver and Release, Signatory hereby voluntarily agrees to the following:

A. RELEASE, WAIVE, DISCHARGE AND COVENANT NOT TO SUE Duke University, its affiliates, trustees, officers, employees or agents, (hereinafter referred to as RELEASEES) for any liability, claim, and/or cause of action arising out of or related to any loss, damage, injury or harm of any sort, including death or imprisonment, that may be sustained by Student, and for damage to any property belonging to Student, that occurs as a result of Student traveling to or from any site in connection with the Program, or as a result of Student participation in the Program. It is my intent and agreement that the terms of this paragraph shall bind any person asserting rights on my behalf, or otherwise asserting claims by or through me, including my spouse, domestic partner, family members, heirs, assigns and personal representatives.

B. The release, waiver, discharge and covenant not to sue as expressed in this Section is given pursuant to the Uniform Contribution Among Tortfeasors Act, North Carolina General Statutes Section 1B et seq. It is my intention not only to release any and all claims against RELEASEES, but also to relieve RELEASEES from any liability to make contribution to other tortfeasors on account of any claims.

C. If Student deviates from any aspect of the Program, such deviation is purely voluntary, and that RELEASEES shall not be liable for any injuries resulting or arising out of such deviation. Deviation includes any non-programmatic side trips, pre-program or post-program travel or activities, or other activities not specifically included in the Program.
D. **Governing Law and Venue.** This Agreement will be governed by the laws of the State of North Carolina, without regard to principles of conflict of laws. Any action based on or arising out of this Agreement shall be brought and maintained exclusively in any court of the State of North Carolina or any federal court of the United States, in each case located only in Durham County, State of North Carolina. Each of the Parties hereby expressly and irrevocably submits to the jurisdiction of such courts or pertinent appellate courts for the purposes of any such action and expressly and irrevocably waives, to the fullest extent permitted by law, any objection which it may have or hereafter may have to the laying of venue of any such action brought in any such court and any claim that any such action has been brought in an inconvenient forum.
